Maine's Infant Toddler Credential

What Is the Maine Infant Toddler Credential?

Maine Roads to Quality Professional Development Network, in partnership with the Maine Department of Health and Human Services Office of Child and Family Services, has developed the Maine Infant Toddler Credential in response to the nationwide movement to recognize and support the professional development needs of infant and toddler caregivers.

The federal Office of Head Start recognizes the Maine Infant Toddler Credential as equivalent to the Infant Toddler Child Development Associate (CDA).

Competencies

The Maine Infant Toddler Credential requires applicants to demonstrate their understanding of the following competencies related to the care of infants and toddlers:

- Infant and toddler growth and development
- Health, safety, and nutrition
- Relationships with families
- Observation and assessment
- Curriculum and approaches to learning
- Professionalism

More information about the Maine Infant Toddler Credential can be found on our website at:

<https://mrtq.org>
