

Quality Improvement Mini-Grants: Frequently Asked Questions

Maine Roads to Quality Professional Development Network (MRTQ PDN) is partnering with the Maine Department of Health and Human Services, Office of Child and Family Services (DHHS, OCFS) to offer Quality Improvement Mini-Grants to early childhood and out-of-school time programs in Maine. Programs that are pursuing OR maintaining national accreditation through the National Association for the Education of Young Children (NAEYC), the National Association for Family Child Care (NAFCC), the Council on Accreditation (COA), the American Montessori Society (AMS), or meet all requirements assessed in all performance areas for Head Start AND maintained a Step 4 rating with *Quality for ME* are eligible to apply for these mini-grants. The purpose of these mini-grants is to fund improvements to early childhood and out-of-school time program environments. The mini-grant purchases must address accreditation standards and contribute to the program's overall quality.

Is my program eligible for a Quality Improvement Mini-Grant (QIMG)?

A program is eligible for a Quality Improvement Mini-Grant (QIMG) if:

1. The program meets at least one of the following criteria:
 - Is an active participant in an MRTQ PDN Accreditation Cohort for a minimum of six months and has reached Step 3 with *Quality for ME* at any time between **July 1, 2019 and August 31, 2022**; OR
 - Has submitted for final accreditation observation at any time between **July 1, 2019 and August 31, 2022**; OR
 - Has maintained accreditation or met all requirements assessed in all performance areas (Head Start) AND a Step 4 at any time between **July 1, 2019 and August 31, 2022**.
2. Each staff member has updated their MRTQ Registry information.
3. The program does not have a current conditional license. (Programs are eligible to apply for a QIMG upon the resolution of the conditional status of their license.)

How much QIMG funding can my program request?

QIMG funds cannot exceed \$1,500.

Could my program be eligible for a Quality Improvement Award for moving up the Steps with *Quality for ME* and a QIMG?

Yes. If your program moves up the Steps with *Quality for ME* during the award period of July 1, 2019 to August 31, 2022 AND meets the criteria (listed above) for a QIMG, your program could apply for both a QIA and a QIMG. **Note that program must complete the QIA application in the Registry first.**

Are there requirements for how the QIMG can be spent?

Yes. All purchases **must** align with an accreditation or Head Start standard and receive the approval of the program's accreditation facilitator at MRTQ PDN.

QIMG funds may **NOT** be used to purchase consumable materials such as art supplies, ink, paper, etc.

All donations and in-kind support should be reported in the final documentation. This includes volunteer hours from families (e.g. for installing, constructing, or refurbishing program components), as well as other monetary or material donations made to the program as a result of the mini-grant funding.

How can I apply for a QIMG?

If you are designated as the Program Owner/Director or Family Child Care Owner at your program, you can log in to your Registry account at <https://mrtq-registry.org>. If your

Clicking on "Go to Mini-Grant Application" will bring you to Moodle, MRTQ PDN's online learning management program. From the list of courses, choose "Quality Improvement Mini-Grants, 2019-2021."

The screenshot shows the Moodle interface for the course "Quality Improvement Mini-Grants, 2019-2021". The left sidebar contains a navigation menu with items like "Participants", "Badges", "Competencies", and a list of course sections including "Introduction", "Please read first:", "Step 1: Planning Your Purchases", "Step 2: Completing the Mini-Grant Application", and "Step 3: Submitting Your Final Documentation". The main content area features the course title, a breadcrumb trail, and an introduction section. The introduction text reads: "Welcome! This site is designed to guide you through the process of planning, applying for, and reporting on the Quality Improvement Mini-Grants available through MRTQ PDN. It is important for you to read all sections of this site carefully, as most of the questions you might have can be answered here. In addition, MRTQ PDN staff is a resource to help you plan your purchases and can help with questions on the application and reporting of spending. Before you begin, please read the handout 'Quality Improvement Mini-Grant Information.' We want this process to be as easy for you as possible! Below you will find the following sections that will guide you through the mini grant process:"

Please read through the information in this course carefully. The steps in the course outline the process for planning your purchases, having your plans approved, and documenting your use of the QIMG funds. You will have the guidance of the accreditation facilitator assigned to your setting (see list above).

What else is required of my program?

Before your purchases can be approved, you must confirm with Eric Norgaard, Registry Coordinator, that your program is a current vendor with the University of Southern Maine. Contact Eric at eric.norgaard@maine.edu or 207-780-4367 to check your program's vendor status.

Checks cannot be processed until this step is complete!

In addition, MRTQ PDN will send your program a short, 3-4 question survey upon completion of the process. The survey will help MRTQ PDN gather information about this process to share with our current funder and future funders. Only aggregate data will be shared; no program names will be included in the survey results and your participation will not affect your program's eligibility for the QIMG.

Is there a deadline to apply for a QIMG?

The program period for the QIMGs ends on August 31, 2022. **However, these awards are first-come, first-serve and will be award until funds are expended.**

I have another question not covered here. Who can I contact?

The initial point of contact for QIMGs is Eric Norgaard, who can be reached at eric.norgaard@maine.edu or 207-780-4367.
